*Do you fill the same prescription every month?*

Discover the Benefits of Prescription  
Drug Delivery by Mail with

**FastStart**

*Enjoy benefits like:*

- ◆ A 90-day supply of medication at one time.
- ◆ Convenient home prescription delivery, including free standard shipping.
- ◆ 24-hour, toll-free hotline to speak with a registered pharmacist.
- ◆ Convenient internet and refill by-phone services to order prescription refills any time, day or night!

**Getting started is easy with two convenient options!**

---

1. Call **1-866-772-9414** toll-free for **FastStart** service. Provide the representative with the following information:

- ◆ Member ID number (on your prescription benefit card)
- ◆ Medication name
- ◆ Doctor name and phone number
- ◆ Shipping address
- ◆ Credit card and expiration date

**OR**

2. Get a 90-day prescription from your doctor, with as many as three refills (if appropriate). Fill out the enclosed mail order form and mail it with your prescription and payment.

You can expect to receive your medication within 14 days from the date you mail your prescription or from the time the order is placed.

That's it! The representative will contact your doctor and take care of the order for you.
